

# CUSTOMIZE YOUR KIT!

ADD **WARMTH** AND **LIGHT** TO BEAT THE COLD AND DARK.

Add these items to your kit and prepare for those cold fall and winter months ahead. Take this time to restock on the essentials in your kit, like water, food items and batteries.

- ☐ Hand and foot warmers
- ☐ Waterproof matches and/or fire starter in a waterproof container
- ☐ Small propane heater
- ☐ Extra layers of clothing

- Long-sleeve shirts
- Sweatshirts
- Extra coat or jacket
- Wool socks
- Gloves and knit hats

- ☐ Extra waterproof blankets

## PRO TIP

Add a solar or **battery-powered lantern** to your kit to keep up the light on those dark winter days.
